**Heavy rain bringing some flooding and disruption.****What to expect**

- Homes and businesses could be flooded, causing damage to some buildings
- Delays or cancellations to train and bus services are possible
- Spray and flooding could lead to difficult driving conditions and some road closures
- Some communities may be cut off by flooded roads
- Possible power cuts and loss of other services to some homes and businesses

Further details

Heavy rain will occur overnight, clearing to the east by late Saturday morning. 20 to 40 mm rain is likely widely across South Wales and over parts of southwest England, whilst 60–70 mm is possible in and around the high ground of South Wales.

With conditions already very wet and river levels high, this is likely to cause further flooding.

The rain will also be accompanied by strong winds with gusts of 40–50 mph.

✓ Low likelihood of medium impacts
